EDUCATION

Bachelor of Technology, Marian Engineering College **2018-2022**
B.Tech - Computer Science and Engineering - **CGPA - 7.1** *Trivandrum,Kerala*

Higher Secondary Education, GVHSS Vattiyoorkavu **2017 - 2018**
Board - State- **Percentage - 73** *Trivandrum,Kerala*

Secondary Education, Sree Gokulam Public School **2015 2016**
Board - CBSE- **CGPA - 8.4** *Trivandrum,Kerala*

EXPERIENCE

React-Django Developer **2024 – Present**
ALTOS Technologies
- Develop and maintain responsive front-end interfaces using React and build robust back-end services with Django REST Framework, ensuring seamless functionality across web applications.
- Perform API integration, database management, code reviews, and optimize performance to ensure scalable and efficient systems.
- Collaborate with cross-functional teams to deliver high-quality products while staying updated with industry trends to continuously enhance technical skills.

AWS Cloud Internship **2022 - 2023**
Scope India
- Completed a 6-month AWS Cloud Internship.
- Gained hands-on experience with services like EC2, S3, Lambda, and RDS.

PROJECTS

Job Portal | React, JavaScript, HTML, Django, MySQL **2024**
- Developed a full-stack Job Portal application for jobseekers, employers, and administrators using React (Vite) for the frontend and Django (REST Framework) for the backend.
- Implemented MySQL database, user authentication, role-based access control, and RESTful API integration.
- Ensured responsive UI using Tailwind CSS.

Training Management System | React, JavaScript, HTML, Django, MySQL **2024**
- A web-based solution developed to optimize the management of trainees, trainers, and project assignments within an educational or training environment.
- The system is designed to improve coordination and tracking of training activities, featuring three key modules: Trainee Manager, Trainers, and Trainees.
- Built with Django (REST Framework) for API development, React (Vite) for the frontend, and MySQL for scalable data management
- Styled using Tailwind CSS for a responsive UI.

TECHNICAL SKILLS

- **Languages**: C,Python, JavaScript, SQL
- **Technologies/Frameworks**: Django, React, Bootstrap, Tailwind,CSS3,HTML5,Linux,AWS
- **Developer Tools**: PostMan,VS Code,Github

CERTIFICATIONS

- AWS Course Certification - Scope India
- Linux Mastery - Udemy
- Front End Development - Simplilearn
